REMARKS

Upon the careful review of recently issued U.S. Patent 6,890,254 B2, the above-listed typographical and grammatical errors were noted. Patentee prepared this request for correction to the specification in order to correct these typographical errors. These mistakes are of a clerical nature and of minor character, and they occurred in good faith. Thus, the correction of these mistakes does not constitute new matter and does not make necessary a reexamination of the patent. Further, the requested changes to the specification do not change the scope of Patentee's rights granted under this patent.

Since these mistakes are of a clerical nature and not the fault of the Patent Office, Patentee is requesting the issuance of a Certificate of Correction pursuant to 37 CFR § 1.323. Patentee is submitting a proposed Certificate of Correction. Please charge Deposit Account No. 02-1818 the Certificate of Correction fee in the amount of \$100.00 and any insufficiency or credit for any overpayment.

Patentee respectfully solicits the granting of the requested Certificate of Correction.

If there are any questions, please telephone the undersigned.

Respectfully submitted,
